

**LED LIGHTING APPLICATIONS**

LED the solid state illumination source provides extreme possibilities of applications in a variety of situations, creating Architectural Statements / Accents / Indirect mood Lighting due to its unique compact high intensity and concentrated optical energy.

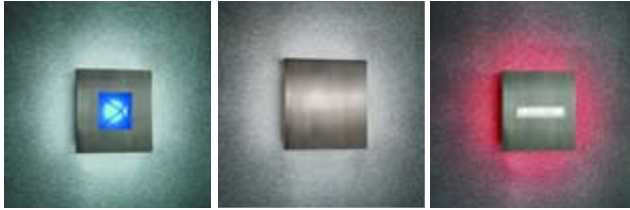

**NL-6023**

**NOVA** Linear LED Luminaire, comprising polycarbonate tubing with PCB mounted High Brite LED , suitable for COVE LIGHTING, UNDERSTEPS, UNDERCABINETS, 12/24 Volts operation, long life lamps

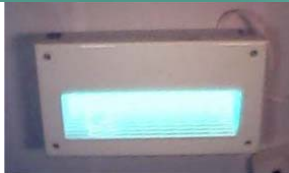

**NL-6078**

**NOVA** WALL ACCENT LED Luminaire, comprising SS/ COATED ALUMINIUM Housing rear housed High Brite LED PCB mounted , suitable for creating interesting wall patterns , Architectural statements in PORCHES, CORRIDORS, 12/24 Volts operation, long life lamps

**WALL ACCENT**

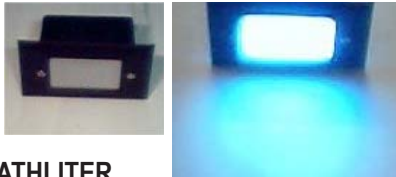

**NL-6208**

**FLOOR WASHER**

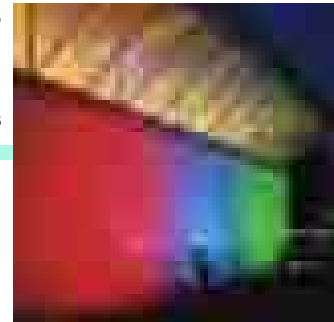

**NOVA** FLOOR WASHER LED Luminaire, comprising SS/ COATED ALUMINIUM Housing RECESSED High Brite LED PCB mounted , suitable for floor washing , Architectural statements in STEPS, CORRIDORS, 12/24 Volts operation, long life lamps

**NL-6019**

**PATHLITER**

**NOVA** PATHLITER LED Luminaire, comprising SS/ COATED ALUMINIUM Housing FRONT High Brite LED PCB mounted , suitable for PATH MARKING , Architectural statements in STEPS, CORRIDORS, 12/24 Volts operation, long life lamps

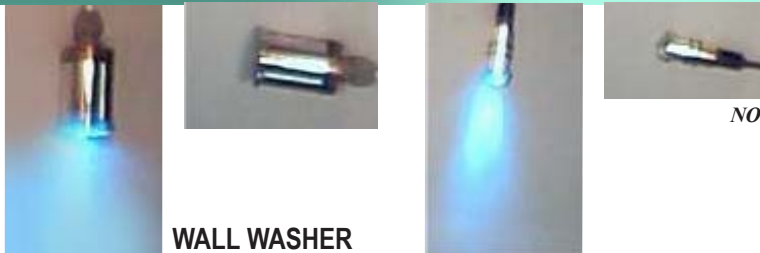

**NL-6099**

**WALL WASHER**

**NOVA** RECESSED WALL WASHER Luminaire, comprising SS/ COATED ALUMINIUM Housing FRONT High Brite LED PCB mounted , suitable for WALL WASHING , 12/24 Volts operation, long life lamps

**NL-6067  
NL-6068**

**WALL WASHER**

**NOVA** RECESSED WALL WASHER Luminaire, comprising SS/ COATED ALUMINIUM Housing FRONT High Brite LED PCB mounted , suitable for WALL WASHING , 12/24 Volts operation, long life lamps

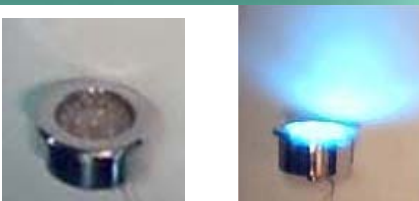

**NL-6786-2**

**WALK OVER**

**NOVA** FLOOR EMBEDDED PLANT UPLIGHTER LED Luminaire, comprising SS/ COATED ALUMINIUM Housing FRONT High Brite LED PCB mounted , suitable for FACADE UPLIGHTING / FOLIAGE LIGHTING , 12/24 Volts operation, long life lamps

**NL-6781**

**FOLIAGE UPLIGHTER**

**NOVA** FLOOR EMBEDDED PLANT UPLIGHTER LED Luminaire, comprising SS/ COATED ALUMINIUM Housing FRONT High Brite LED PCB mounted , suitable for FACADE UPLIGHTING / FOLIAGE LIGHTING , 12/24 Volts operation, long life lamps
